Mamas Apparently Was Much Superior to Yelles Last Night

A good-sized audience in the armory in Montpelier last evening saw one of the best wrestling matches of the season when Mamas threw Yelles twice in 19 minutes. Mamas, previous to the match, had posted \$100 forfeit to indicate that he would wrestle clean and he surely did, working Yelles hard from the time they touched hands in the center of the mat and for 15 minutes when he got the big Finn in a double body scissors and double wrist lock.

The freshmen defeated the sophomores in a very fast game of basketball at the Spaulding gymnasium Tuesday afternoon, the score being 16 to team, for they excelled in shooting and teamwork. The sophomores were a pickup team, but they worked very well, for the first time, as they had never practiced together before. scorer was Ross, who caged the ball three times from the floor and twice from the foul line. He made two one-hand throws that are very seldom seen at a good game.

The freshmen five are a very promising team for Spaniding, as they won one game out of five played this season. The lineup was as follows:
